

# ECR **6800 LD** ELECTRONIC CASH REGISTER

Olivetti ECR 6800 LD is a new cash register suitable for the retail market equipped with a reliable alphanumeric thermal printer and large lockable cash drawer with removable tray. It provides fast and silent receipt printing and supports a broad range of printable content, including 10-line promotional messages.

The high-luminosity alphanumeric operator display can be read in any light conditions. The pop-up customer display can be adjusted to suit specific requirements.

A large colour-coded keyboard permits at-a-glance function location, while direct access to 40 departments makes item registration quick and easy.

400 PLUs, 8 clerk codes, 4 methods of payment and a 3,000-line dynamic electronic journal, together with the elegant lines of Italian design, make the ECR 6800 the perfect choice for small and medium retailers in a broad range of sectors.
